

30 December 2024

Dear Parents/Guardians,

START OF 2025 – KEY EVENTS & PROGRAMMES IN TERM 1

WELCOME BACK AND GREETINGS FOR 2025

1. To begin the new academic year, let me first congratulate the new Secondary 1 students for securing a place in Crest Secondary School. We trust that our Secondary 2 to 4 Crestans have made good use of the vacation and are looking forward to another exciting year of growth.
2. I would like to share that our Vice-Principal (Academic), Mr David Chan, has been posted to Bukit Batok Secondary School with effect from 15 December 2024. He has played a pivotal role in leading the various academic and student development programmes in the school. We thanked Mr Chan for his dedicated service and contributions over the last six years. In place of Mr David Chan, I am pleased to announce that Mr Othman Arsan Mohd Abubakar, our previous Dean of Student Development, is now appointed as Vice-Principal (Academic) with effect from 1 January 2025. The current school leaders, together with Mr Othman, look forward to working closely with you and your child/ward to ensure that Crest Secondary continues to be a place for your child to learn and grow.
3. We are pleased to share that our 9th batch of Crestans from the Class of 2024 have performed well for the GCE N-Level Examination and the ITE Skills Subject Certificate (ISSC) courses. 96.2% of our 156 graduating students were awarded the GCE N(T) Certificate while 96.1% were awarded the ITE Skills Subject Certificate (ISSC). In addition, 59.2% of our students have secured a place in a course of their choice at ITE through the Early Admission Exercise. We wish the Class of 2024 all the best in ITE, and like many of their seniors, progress to diploma courses at ITE/Polytechnics in the years ahead.
4. We congratulate the 161 new Secondary 1 students who secured a place in Crest Secondary School. We would also like to welcome our Secondary 2 to 4 Crestans back to another exciting year of learning and growth.
5. For 2025, we can look forward to activities planned for all students, so that the value proposition of a unique education path in Crest can be fully experienced by all Crestans. A list of these key events and programmes in Term 1 is shared in **Annex A**. Details of other major events and programmes are also shared in the rest of this letter.

PDPA POLICY

6. The Singapore Personal Data Protection Act (PDPA) 2012 establishes a data protection law which governs the collection, use, disclosure and care of individuals' personal data by organisations. The PDPA came into effect on 2 July 2014.
7. Please note that photographs and videos may be taken at school organized events of our students and our visitors (e.g parents/guardians) for use in school publicity materials. If you have any concerns, please approach the Admin Office.

STAFF MATTERS

INFORMATION ON SCHOOL MANAGEMENT, KEY PERSONNEL AND FORM TEACHERS

8. You can see the updated list of the School Management and Key Personnel Team in **Annex B**, as well as the Form Teachers list for each class in **Annex C**.

ENHANCING INFRASTRUCTURE AND FACILITIES

9. As part of our ongoing commitment to providing a conducive learning environment for our students, the school has embarked on a significant project to upgrade some of the school's facilities and infrastructure. Since the start of the Nov/Dec school holidays in 2023, the school commenced the upgrading of the school canteen, cafe, Student Hub, parade square, multi-purpose hall, and foyer areas. While some of these works will continue into the upcoming school term, rest assured that the school, together with the upgrading project personnel and contractor specialist teams, has implemented necessary measures to minimize any impact to the functional use of these spaces. Where necessary, localised hoarding/temporary protection will be erected to ensure the safety and security of our students and staff.
10. Throughout this upgrading period, we seek the support and understanding of our various stakeholders. The school is actively working to minimise inconveniences for our students, which may include occasional construction noise. We believe these enhancements will not only enrich our students' educational experience but also contribute to creating a more inviting and stimulating environment.

HEALTHY MEALS IN SCHOOLS PROGRAMME (HMSP) AND CONSUMPTION OF WATER

23. To support our students' health development, the school is on board the Healthy Meals in Schools Programme (HMSP) by the Health Promotion Board (HPB). This programme provides food service guidelines for school canteens and aims to cultivate good eating habits among our students, so that they will be accustomed to consuming fruit, vegetables, and whole grains as part of their daily diet. All prices of the set meals, sides, snacks, and drinks are clearly displayed at the canteen stalls. Healthy set meals will be provided in the school canteen with prices ranging from \$3.00 to \$4.00. We seek your support to encourage your child/ward to eat healthily.
24. We also encourage our students to consume water on a regular basis throughout the day as our weather is hot and humid. As proper hydration is important, we strongly encourage all students to bring **their own water bottle** to school. There are many water coolers around the school where students can fill up their water bottles.

SCHOOL-FAMILY PARTNERSHIP MATTERS

KEEPING IN TOUCH WITH THE SCHOOL

25. It is important to develop and strengthen mutual understanding, respect and trust between the school and parents to ensure the well-being and holistic development of the child. Parents may keep in contact with the school through the official school channels such as **Parents Gateway**, **Parent Support Group (Crest PAL)**, the **school's website** (<https://www.crestsec.edu.sg>), and the **school's email** (info@crestsec.edu.sg).

26. The list of Form Teachers for all levels can be found at this link -
<https://www.crestsec.edu.sg/our-staff/teaching-staff/form-teachers-all-levels/>

27. To allow time for our teachers to rest and recharge, we seek the kind cooperation of parents to limit communication with teachers within school operating hours (7.30am to 5.30pm) on working weekdays during school terms. Teachers are not expected to respond to parents' and/or students' queries after school operating hours, during weekends and on school and public holidays, though this can be addressed on a case-by-case basis depending on the urgency of the matter. Please note that teachers are not obliged to share their personal phone numbers with parents or students. Parents may wish to discuss with your child's teachers their preferred mode of communication.

KEEPING THE SCHOOL SAFE

28. We seek parents' support to keep schools a safe environment for students. If your child is unwell, please ensure that he/she stays at home and seeks medical attention if necessary. If your child is recovering from respiratory-related illnesses, please encourage him/her to exercise social responsibility (e.g., by wearing a mask, minimising social interactions with big groups).

Let us all do our part to stay safe by exercising personal and social responsibility.
