

12 September 2022

Dear Parents/Guardians,

## **TERM 4 – KEY EVENTS, PROGRAMMES AND NOTIFICATIONS**

### **REFLECTIONS ON TERM 3**

1. In line with the national Safe Management Measures (SMMs), the school has resumed many large-scale and vibrant student activities in Term 3, such as Be Yourself Day, Strava Walk, Mother Tongue Cultural Programme, Crestan Challenge, National Day Celebrations & Sports Day at Bukit Gombak Stadium, Teachers' Day & Staff Appreciation Celebration, and many other programmes. We were heartened to see students enjoying the interaction with one another across classes and in larger groups.
2. I would like to take this opportunity to thank all Secondary 2 and 3 parents who joined us for our online and face-to-face Parents' Dialogue with School Leaders respectively. We also thank parents who attended the Parents' Engagement Session to learn about the effective use of personal learning devices for your child, as well as those who attended the Farm-to-Table bonding activity. We hope that you have found the presentations and engagement sessions useful. In addition, we are also appreciative that parents have made necessary arrangements for your medically eligible child to go for their booster shots, so that they continue to be fully vaccinated against COVID-19.
3. While mask-wearing has been made optional in the school since 29 August 2022, we seek your partnership to continually monitor your child's health, and to inform the school if he/she is unwell or tested COVID-19 positive. Please also continue to encourage your child to practise good personal hygiene and exercise social responsibility.

### **ASSESSMENT MATTERS**

#### **GCE N-LEVEL EXAMINATION & CHANGES TO TERM 4 TIMETABLE**

4. The GCE N-Level Examination will commence on 12 September 2022 (Monday). Hence, the school's reporting and dismissal times for Secondary 1 to 3 levels will be adjusted in Term 4 Weeks 1 to 5. Secondary 4 students will also have a revised daily schedule during this period. **Annex A** provides a summary of the Assessment Schedule, Dismissal Adjustments and Key Events. Please note that you will only receive the information for your child's/ward's level.

## SECONDARY 1 TO 3 END-OF-YEAR ASSESSMENT

- Secondary 1 to 3 students will start their End-of-Year Assessment from 7 October 2022 (Friday) to 13 October 2022 (Thursday).
- Marking Day will be on 14 October 2022 (Friday). All Secondary 1 to 3 students will not need to report to school on that day.
- Students will be dismissed after their last paper for the day.
- For students who do not have a paper on a particular day, they are not required to report to school that day.
- It is important to note that your child/ward will require a medical certificate if he/she is unable to attend the examination. No parent's/guardian's letter will be accepted, unless your child/ward is tested COVID-positive.
- The promotion criteria for all Secondary 1 to 3 students is shown in the table below:

Requirements	From Secondary 1 to 2 and From Secondary 2 to 3	From Secondary 3 to 4
School Attendance	<u>At least 90%</u>	<u>At least 90%</u>
Academic & Vocational Curriculum	1) Pass N(T) EL <u>or</u> N(T) Math 2) Pass one other examinable subject (eg. MTL, Taster Module etc.)	1) Pass N(T) EL <u>or</u> N(T) Math 2) Pass one other examinable subject (e.g. MTL, ISS etc)

## INDUSTRY EXPERIENTIAL PROGRAMME (IEP)

- As part of the ITE Skills Subject Certificate (ISSC) requirements, all Secondary 3 students will need to participate in the IEP from 25 October to 20 November 2022. This year, about 91% of our students have been successfully placed with a company for their work attachment. We thank all parents for their support in the external IEP programme. We believe that the authentic and real world work experience will bring much benefit to our students.
- There are a handful of students who have opted to arrange their own job attachment during this period. The same IEP assessment will apply for them if they are able to provide documents such as their work schedule and pay slip, to show that they have worked for at least 100 hrs.

## CCA STAND-DOWN

- All CCA activities for Secondary 1 to 3 students will stand down from Term 4 Week 3 due to the End-of-Year Assessment. The final CCA session for Secondary 1 to 3 students will be on 30 September (Friday).

Selected Secondary 1, Secondary 2 and Secondary 4 students will be involved in the half-day programme. There will be a dry run for the programme on 31 Oct 2022. More information on the programme will be given to students in Term 4.

## FINAL NOTE

16. While Term 4 is a shorter school term, it is an important one as all Secondary 1 to 3 students will be taking their End-of-Year Assessment, which will affect their progression to the next level. We urge all parents/guardians to supervise and encourage your child/ward to stay focused on his/her revision.

17. To our seventh graduating batch of Secondary 4 students, we would like to wish them ***all the very best in their performance at the GCE N-Level and ISSC Examination***. This will be the first batch of students who will graduate with the new ITE Skills Subject Certificate. To enable them to stay connected to the school after their graduation, the school will request for their personal contact details, including their contact numbers and email addresses, so that they can continue to receive information from the school. In addition, they can continue to use their Crest email account until 30 June 2023.

18. I hope everyone had a restful September school holidays, and are all rejuvenated to start Term 4.

Yours sincerely,

**Mr Seet Tiat Hee**
