

19 Aug 2021

Dear Parent/Guardian,

Please be informed that with effect from 01 September 2021, the bus route A of our complimentary shuttle services from Choa Chu Kang Drive to Crest Secondary School Pick-up point 2 will be changed to a new pick-up point. The reason being the traffic there has impeded the public bus operations and traffic flow.

The new pick-up point is opposite Warren Condominium. Your child may walk from Choa Chu Kang MRT station Exit C and proceed along the pedestrian access route to the new pick-up point bus bay no. 1.

The route from Choa Chu Kang MRT Station to the new pick-up point is along a sheltered walkway.

With this change, the estimated arrival time to school will be around 7.40/ 7.45 am.

We seek your kind understanding on this matter and do let the school know should you have any concerns or further clarifications.

Thank you.

Mr Seet Tiat Hee

Principal
