

6 Sep 2021

Dear Parents/Guardians,

We were informed by the Ministry of Health that one of our staff has been tested positive for COVID-19 on 5 September 2021 (Sunday). The staff was last in school on 2 September 2021 (Thursday) and was well. Personnel who were in close contact with the staff have been identified and placed on Leave of Absence (LOA) from 6 September to 16 September 2021.

To ensure the safety and health of all students and staff, the school will be undergoing thorough cleaning and disinfection of the premises this afternoon. Any school activities planned for tomorrow (7 Sep 2021) will be cancelled.

The school will inform you of any updates through Parents Gateway (PG). We seek your support not to circulate any unconfirmed information. Should you have queries, please contact our Vice-Principals, Mr Sam Ho or Mr David Chan at 6899 2779 during office hours.

As we start the September school holidays, we hope your child will take the time to relax and recharge. Please ask your child to observe good personal hygiene and do see a doctor if unwell. Thank you for your support to keep our school safe for learning.

Yours sincerely,

Mdm Lee Kee Meng  
Vice-Principal (Administration)
